
Art And Politics In Weimar Period The New Sobriety 1917 1933

chapter 1 what is politics? - macmillanihe - politics as the art of government 'politics is not a science . . . but an art', chancellor bismarck is reputed to have told the german reichstag. the art bismarck had in mind was the art of govern-ment, the exercise of control within society through the making and enforce-ment of collective decisions. **hadrian: art, politics and economy edited by thorsten opper** - acknowledgements it is a pleasure to thank the authors of the essays gathered in this volume for their wide-ranging contributions. hadrian: art, politics and economy originates from an academic conference held in december 2009 at the british museum, **politics and aesthetics in the arts - the library of congress** - called "degenerate art": 126 paintings recently removed from german art museums under nazi auspices. the actions of all involved resulted from political and aesthetic judgments on both politics and art. the politics of nazism and fascism - that is, of those who caused the works of art to be consigned - has often been **the politics of vision - msu** - the politics of vision nothing, he maintained, compared to the present epoch. "can a great, free people do less for art than an attic village, a pope or a king?" the question, obviously, is rhetorical. delacroix was generally the painter to whom progressive critics looked for a fulfillment of the revolutionary ideals of the 1848 uprising; as **feminist art and the political imagination** - feminist art and the political imagination amy mullin activist and political art works, particularly feminist ones, are frequently either dis-missed for their illegitimate combination of the aesthetic and the political, or embraced as chiefl y political works. flawed conceptions of politics and the imagination are responsible for that dismissal. **what is politics? - freewebs** - politics as the art of government • 'politics is not a science...but an art'. chancellor bismarck • the art bismarck had in mind was the art of government, the exercise of control within society through the making and enforcement of collective decisions.
